Bio Garantie d.o.o. is an international certification company for organic production. As a member of the EASY-CERT group, in collaboration with our sister companies, we offer services in organically and sustainably produced textiles, GLOBALG.A.P., sustainable food production, and sustainable management for any type of manufacturer or service provider worldwide. For more information, you can visit our website at www.bio-garantie.hr or www.easy-cert-group.com. In order to further expand our constantly growing team in the international department, we are looking for a **GLOBALG.A.P. auditor**.

Tasks and responsibilities

- Conducting sustainability standard audits/inspections – Global G.A.P. in Europe.
- Writing reports with findings and follow-up actions after completing audits.
- Communicating audit results with the client directly or with their representative.
- Entering data into relevant databases.
- Informing the standard manager about the completed audit.
- Communicating with evaluators regarding audit results.
- Ensuring the completion of all assigned tasks and relevant documents in accordance with procedures.

Employee

- Minimum a Bachelor's degree (after secondary education) in agriculture – plant science, crop and soil science, animal husbandry, food science, food technology, or a related field.
- At least three years of experience in the agricultural sector after obtaining a degree in agriculture, or four years of experience in the agricultural sector after obtaining a degree in food technology.
- Experience in GLOBALG.A.P. audits is preferred but not mandatory.
- Experience in audits of social standards such as GRASP, SA8000, SMETA, or similar is preferred.
- HACCP certification and food hygiene certification.
- Good knowledge of MS Office and experience with handling new media.
- Fluency in German and English.
- Responsibility, teamwork ability, and respectful and trustworthy interaction.
- Interest in the sustainability industry.

Employer

- Working in an international environment where each person is valued for their contribution to our multicultural society.
- Competitive compensation based on experience.
- Responsible, independent work in the sustainability sector.
- Dedicated and motivated team.
- Thorough training.
- Dynamic IT environment.
- Working for one of the most relevant certification body groups in Europe and the world.
